

No. 1,604 E-Technologies Group West Chester, OH

Year	2008
Industry	Engineering
Founded	1993
Growth	236.3%
2004 Revenue	\$2.8 million
2007 Revenue	\$9.4 million
Employees	60
Website	www.etech-group.com

What it does:

Works with manufacturing companies that produce consumables or pharmaceuticals to implement and assist them with their IT services and engineering, as well as specializing in automation setup.

Why it's growing:

The trends in manufacturing skew towards automation in order to cut down on the costs that go with a high number of employees, and E-Technologies has prospered as a result.

What's noteworthy:

The company also provides staffing for their clients, specifically for positions centered around working with technology.

- Ranked No. 24 in the [Top 50 Engineering Companies](#)
